MANUFACTURING SOLUTIONS BED, BATH AND BEYOND

For nearly 20 years, Fabline has built a reputation for understanding the unique challenges our customers face and having a keen appreciation for the ever-evolving nature of their business. We're committed to helping customers succeed. It's what drives us to continually develop innovative textiles that deliver exceptional value.

MARKET WE SERVE

LUXURY HOTELS

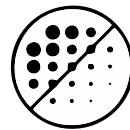

We have experienced our products in luxury hotels and resorts. And for years guests have been asking how to purchase these products for their home. Now, they can.

STAR HOTELS

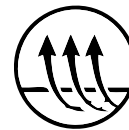

We offer a single source for creating functional and stylish environments. We specialists ensure design projects are completed on time and on budget.

RESORTS

We listen differently. We're more than innovators, we're collaborators. We see new possibilities and new realities. we've provided luxury bed and bath linens to your home.
